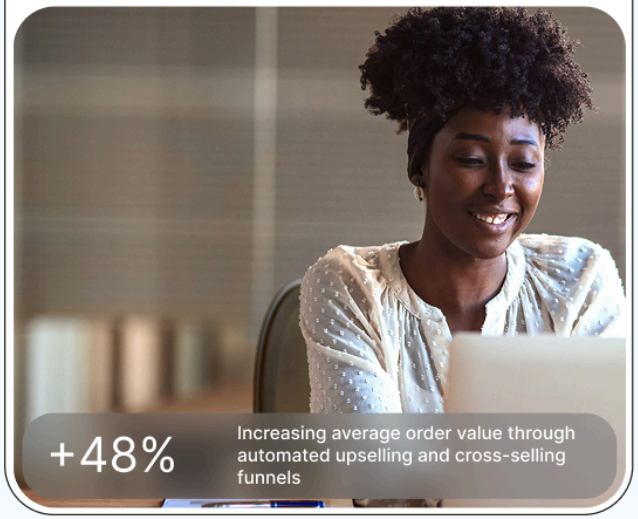
Areas of Focus & Expertise

Building High-Functional Platforms

Retail & Ecommerce

We automate the full sales and marketing cycle. Loyalty programs and personalized scenarios to drive repeat purchases



Companies & Operations

We optimize internal business processes and task management. We ensure transparent analytics and automate document management.

Education & HR

We simplify recruiting, onboarding, and candidate or student database management, incorporating AI onboarding to plan study schedules

Artificial Intelligence for Your Business

As a leading partner of Next.js and xAI, Dilmach pioneers the integration of generative AI into enterprise solutions. We build the CRM tools of the future: smarter, faster, and more secure for every client.

NEXT.JS

NEXT.JS IS A POWERFUL REACT-BASED FRAMEWORK DESIGNED FOR BUILDING HIGH-PERFORMANCE WEB APPLICATIONS

www.nextjs.org

XAI PROVIDES THE ULTRA-SCALABLE ARTIFICIAL INTELLIGENCE INFRASTRUCTURE NEEDED TO AUTOMATE COMPLEX BUSINESS WORKFLOWS.
